RE: Mineral Materials Permit #ML 49590-MP  
DOGM Mining Permit # S/015/083 (Red Chief Mine)

Gentlemen:

The above numbered Mineral Materials Permit to extract Sandstone upon certain trust lands in Emery County will reach the end of its term and expire on January 31, 2020. After that date Quality Building Stone, Inc. will no longer have any rights to extract any materials from the permitted lands.

Quality Building Stone, Inc. has an obligation to immediately reclaim all surface disturbances associated with its activities upon the permitted lands. Please contact DOGM's Wayne Western (801) 538-5263 to determine the reclamation requirements.

The Trust Lands Administration continues to hold time CD #282 posted by Quality Building Stone in the amount of \$2,000 for reclamation and performance. The CD will be released upon satisfactory compliance with all terms and conditions of the Mineral Materials Permit and DOGM mining permit.

Please also feel free to contact me if you have any questions in this matter.

Sincerely,

John T. Blake  
Trust Land Minerals Specialist
